MEMORANDUM FOR: Executive Officer to the DD/S

Vern:

Executive Director has looked over the attached. He considers the principle an excellent one and believes it worthwhile. He believes, however, that the paper prepared for his signature and the package proposed is much too formal. He thinks that there should be some quiet and informal way of accomplishing the objective and hopes that this can be worked out.

I suspect that he sees no need for a directive or memo from him to get some kind of action started.
